

Golf Australia Vision 2025: The future of women and girls in golf **Strategy Roadshow**

GolfAustralia

*How can golf be a sport where women and girls are **inspired** to participate, **feel welcomed** and **nurtured** throughout, and **empowered** to achieve their goals?*

To share the Vision 2025 strategy with our golf community, Golf Australia is running a national roadshow.

Captains (club & women's), Presidents (club & women's) and General Managers are invited to attend their roadshow presentation.

An exclusive presentation of the Australian Human Rights Commission's newly released National Guidelines for the Promotion of Equal Opportunity in Golf will be a feature.
